

# INDEX TO JOURNAL OF MEDICAL EDUCATION

VOLUME 47 • 1972

For easier reference, the following list keys page numbers to month of issue.

January	1-75
February	77-162
March	163-242
April	243-319
May	321-428
June	429-506
July	507-591
August	593-675
September	677-760
October	761-842
November	843-924
December	925-1007

## Author Index

- Abrahamson, S. *See* Adams, F. H. *et al.*, 796
- Abrams, H. K. The Success of Family Medicine as a New Specialty (*Letters to the Editor*), 159
- Abroms, G. M., and Chiles, J. A. A Basic Psychiatry Course for Medical Students (*Communications*), 971
- Adams, F. C. *See* Grimes, G. M. *et al.*, 289
- Adams, F. H., Blumenthal, S., DuShane, J. W., Lurie, P. R., McNamara, D. G., Rudolph, A. M., Abrahamson, S., and Foster, J. T. The Review and Revision of Certification Procedures in Pediatric Cardiology, 796
- Aiken, W. R. *See* Smith, C. R. *et al.*, 500
- Alexander, D. A., Ogston, D., Ogston, W. D., and Douglas, A. S. The Influence of Personality on Student Reactions to Clinical Experience, 652
- Alexander, R. S. Advanced Placement in Medical Physiology (*Communications*), 143
- Allen, P. Z. *See* Salzman, L. F. *et al.*, 631
- Andrew, B. J. An Approach to the Construction of Simulated Exercises in Clinical Problem-Solving, 952
- Antley, M. A., and Antley, R. M. Obsolescence: The Physician or the Diagnostician Role (*Communications*), 737
- Antley, R. M. *See* Antley, M. A. 737
- Ashley, J. T., and Shmook, C. L. The Medical Director in a University Teaching Hospital, 453
- Aust, J. B., Davis, J. H., Miller, F. A., Rob, C. G., Walt, A. J., State, D., and Wolfman, E. F., Jr. The Role of Surgery in the Undergraduate Medical Curriculum (*Letters to the Editor*), 837
- Bacchus, H. Preparing Educational Objectives in Internal Medicine, 708
- Baker, T. D., *See* Ronaghy, H. A. *et al.*, 443
- Bamford, J. C., Jr. *See* Gromisch, D. S. *et al.*, 281
- Banks, S. A. *See* Murphree, A. H. *et al.*, 925
- Banta, H. D. Flexner and Medical Education in Colombia, 879
- . *See* Deuschle, K. W. *et al.*, 931
- Barnett, G. O. *See* Hoffer, E. P. *et al.*, 343
- Barsky, A. J. *See* Freidin, R. B. *et al.*, 163
- Barton, D. The Need for Including Instruction on Death and Dying in the Medical Curriculum, 169
- . Flexner, J. M., van EYS, J., and Scott, C. E. Death and Dying: A Course for Medical Students, 945
- Bassuk, E. L., and Nadelson, C. C. A Dilemma in Medical Education, 894
- Baum, J. H. *See* Koushanpour, E., 489
- Becker, M. H., Stolley, P. D., Lasagna, L., McEvilla, J. D., and Sloane, L. M. Differential Education Concerning Therapeutics and Resultant Physician Prescribing Patterns, 118
- Becker, R. F. Why Aren't We Producing Family Physicians? (*Letters to the Editor*), 156

# Subject Index

## Academic Medical Centers:

- Relationship with federal government: Magnuson, 10; Richardson, 3
- Responsibility for graduate medical education, implications of, Kinney *et al.*, 77
- Role of: Rogers, 37; Future, Cooper, 39
- Teaching hospital director in, role of, Ashley and Shmook, 455

## Admissions:

- Committees on: Members of (*Communications*), Oetgen and Pepper, 966; Pressures on (*Editorial*), Green and Johnson, 974; Uniformity of decision-making by, Weisman *et al.*, 593
- Policies of (*Letters to the Editor*), Kimball, 365
- Problems in (*Editorial*), Green and Johnson, 974
- Process of (*Editorial*), Jason, 663
- Rejected WAMIW applicants, fate of (*Communications*), Hamberg and Schwartz, 484
- Student characteristics at time of, Geertsma and Grinols, 511

## Allied Health Personnel:

- Community health workers, attitudes of (*Communications*), Leonard and Heiman, 294
- Medical technology education, status of, Henderson and Love, 479
- Physician's associate, rural (*Communications*), Verby and Connolly, 907
- Student, participation in health team project (*Communications*), Tanner *et al.*, 656
- Training of, Koch and Woolley, 333

## Association of American Medical Colleges:

- Alan Gregg Memorial Lecture (1972), Kerr, 843
- Annual Awards (1972): Abraham Flexner Award to William R. Willard, 851; Alan Gregg Memorial Lecture, Clark Kerr, 843; Borden Award to George C. Cotzias, 853
- Annual Meeting (1971); Awards, 385; Business Officers Section, 392; Council of Academic Societies, 393; Council of Deans, 393; Council of Teaching Hospitals, 393; Development Officers Section, 393; Longitudinal Research in Medical Schools Workshop, 393; Minority Affairs Workshop, 394; Organization of Student Representatives, 394; Plenary Sessions, 392; Public Relations Section, 394; Research in Medical Education, 394; Student Affairs, 396
- Assembly Minutes (1971): February 13, 381; October 30, 385

- Carnegie Commission report acceptance by: (*Letters to the Editor*), Engel, 756; (*Letters to the Editor*), Wilson, 835

## Committees, 421

- Council Reports: Council of Academic Societies, 400; Council of Deans, 402; Council of Teaching Hospitals, 403; Executive Council, 398; Organization of Student Representatives, 404

- Financial Report: Division of Business Affairs, 418; Report of the Treasurer, 418

- Message from the Chairman, Anlyan, 374

- Message from the President, Cooper, 374

- Proceedings, 1971, 371

- Staff, 427

- Staff Reports: Department of Academic Affairs, 405; Department of Health Services and Teaching Hospitals, 408; Department of Institutional Development, 409; Division of International Medical Education, 413; Department of Planning and Policy Development, 411; Division of Public Relations, 415; Division of Publications, 416

## Basic Sciences:

- Anatomy: Clinical core course in, Halasz, 568; Graduate students in, foreign language requirements for (*Communications*), De Santis *et al.*, 297; Prosection demonstrations in, Bernard, 724

- Bacteriology, computer-based program in (*Communications*), Grimes *et al.*, 289

- Biochemistry, clinical presentations in, Rubinstein, 198

- Characteristics and performance of medical students in, Haley and Lerner, 446

- Laboratory animal medicine, guidelines for quality program of, Lang and Harrell, 271

- Laboratory learning in (*Communications*), Koushanpour and Baum, 489

- Pathology: Pediatric, in a core curriculum (*Communications*), Bradford, 221; Programmed texts for teaching, field test of, Kent *et al.*, 873

- Pharmacology, differential education in, effect on prescribing practices, Becker *et al.*, 118

- Physiology, advanced placement in (*Communications*), Alexander, 143

- Training in, effect on health care, Handler, 23

Two-year curriculum in (*Letters to the Editor*), Fenton and Vanderlinde, 668

#### **Behavioral Sciences:**

Curriculum content in, Reister and Boulger, 729  
Psychosocial aspects of death, course in, Barton *et al.*, 945

#### **Bibliography:**

Medical education, 72, 160, 239, 317, 368, 503, 589, 673, 758, 839, 983

#### **Biomedical Communications Technology:**

Information sources and retrieval systems, course in (*Communications*), Lunin and Catlin, 658  
Network for dissemination of teaching materials, Stenchever and Brown, 702

#### **Book Reviews:**

70, 154, 232, 309, 363, 499, 584, 667, 753, 833, 919, 979

#### **Clinical Sciences:**

Cardiology, shorter continuing education training in, Hogben *et al.*, 806  
Cardiovascular, study of four-year curriculum in, Beller *et al.*, 128  
Community Medicine: Clerkship in, Deuschle *et al.*, 931; Clerkship in, Murphree *et al.*, 925; Small group discussions in neighborhood health center (*Communications*), Leonard and Heiman, 294  
Epidemiology, importance of (*Letters to the Editor*), White, 314  
Family Medicine: Basic course in (*Communications*), Vandervoort and Ransom, 908; Expectations for (*Editorial*), Pellegrino, 357; Interdisciplinary student health team project in (*Communications*), Tanner *et al.*, 656; Modular basis of resident training in (*Communications*), Geyman, 292  
General clerkship, Morgan *et al.*, 556  
Gastroenterology, Yale-affiliated program in (*Communications*), Spiro *et al.*, 218  
Hematology, programmed instruction in (*Communications*), Reich, 491  
Immunology, Buffalo's center for (*Communications*), Rose and Bigazzi, 742  
Internal medicine, educational goals in, Bacchus, 708  
Life support systems course, Ravin and Modell, 886  
Pediatrics: Clinical skills of students in, Turner *et al.*, 959; Student experience in a well baby clinic (*Communications*), Morton and Feinberg, 819  
Problem-solving in, simulated exercises in, Andrew, 952

Psychiatry: Basic course in (*Communications*), Abrams and Chiles, 971; Child, junior medical student as diagnostician in, Roeske, 51; Selection of residents for (*Communications*), Garetz, 145; Student perception of self and patients, Schonfield and Donner, 645

Psychology student experience in, Schonfield and Donner, 203

Psychosocial aspects of life-threatening illness, course in, Barton *et al.*, 945

Radiology, socioeconomic aspects of (*Communications*), Land, 141

Surgery: Department of, planning for, Beller and White, 855; Television equipment in teaching surgical skills, Goldman *et al.*, 786

Training in, student reactions to, Alexander *et al.*, 652

#### **Continuing Education:**

Broadcast television in, effectiveness of, survey of, Hunter and Portis, 57  
Cardiology training, Hogben *et al.*, 806  
Computer fundamentals course (*Communications*), Kahn, 137  
Mass communication media in, Denne *et al.*, 712  
Medical television viewing in (*Communications*), Hufhines and Hanes, 139  
Of foreign-trained psychiatrists (*Communications*), Fisch and Dwyer, 912  
Seminar construction through evaluation (*Communications*), Seifert and Racer, 660  
Weekend seminars, evaluation of, Donnelly *et al.*, 184

#### **Curriculum:**

Accelerated, adaptation to, Gottheil *et al.*, 539  
"All elective" fourth year, influence on career goal selection, Herrmann, 518  
Basic science training in, Handler, 23  
Behavioral sciences, content of, Reister and Boulger, 729  
Cardiovascular sciences, Beller *et al.*, 128  
Change of, study of, Salzman *et al.*, 631  
Changes in, Matlack, 613  
Course(s) on Death and Dying: Description of, Barton *et al.*, 945; Description of, Olin, 564; Need for, Barton, 169  
Directory of, 1972-1973 (*Editorial*), Bowles, 830  
Fourth-year elective, evaluation of (*Communications*), Holcomb and Brown, 573  
Health ecology course (*Communications*), Braunstein *et al.*, 223  
Human sexuality course, Golden and Liston, 762  
Human sexuality seminar, Garrard *et al.*, 772  
Integration of management education into (*Letters to the Editor*), Williams, 234

- Medical ethics in, Veatch and Gaylin, 780
- Medical jurisprudence course, Pierce, 477
- Pediatric pathology in a core (*Communications*), Bradford, 221
- Radiation therapy course (*Communications*), Lichtenfeld, 64
- Role of surgery in (*Letters to the Editor*), Aust *et al.*, 837
- Semioptional, student allocation of time in, Garrard *et al.*, 460
- Spiral (*Letters to the Editor*), Kabara, 314
- Three-year (*Editorial*), Swanson, 67

**Datagrams:**

- A Comparison of the Patterns of Financing for Private and Public Medical Schools in the Last Decade, 579
- House Staff Stipends and Fringe Benefits, 916
- Medical College Admission Test, 750
- Professional Activities of Physicians Holding Faculty Appointments in U.S. Medical Schools, 1971, 977
- Salaries of Faculty Holding Strict Full-Time Appointments in U.S. Medical Schools, 1970-71, 1971-72, 305
- State Roles in Financing Medical Education, 358
- The Dependence upon Foreign Trained M.D.'s in Our Medical Care System, 496
- The Medical School and Prison Health Care, 831
- The 'Real' Growth of Medical School Expenditures, 1963-64 to 1969-70, 68
- Trends in Graduate Medical Education, 227
- U.S. Medical Student Enrollments, 1968-69 Through 1971-72, 150
- University Owned or Operated Teaching Hospitals: State Appropriations and Income Analysis—Fiscal 1971, 664

**Editorials:**

- 1971 Busy Year in Washington for Health Matters, 225
- Expectations for Family Medicine, Pellegrino, 356
- Good Educational Research Makes Good Education Planning, Peterson, 507
- Helping the Foreign Medical Graduate, Hyde, 494
- Reflections on Methods and Purposes of Medical Inquiry, Cluff, 148
- Medical Schools Must Work Together, Cooper, 915
- Separating Wheat from Chaff: Revision of the MCAT, Erdmann, 747
- Solutions Needed for Medical School Admissions Problems, Green and Johnson, 974

- The Admissions Process in Medicine, Jason, 663
- The 1972-73 Curriculum Directory: The First but Not the Last, Bowles, 830
- The Three-Year Medical School Curriculum, Swanson, 67
- Women in Medicine: Improving Prospects?, Wilson, 303

**Enrollment:**

- Increased, Matlack, 612

**Evaluation:**

- Case-study problem as a method of (*Communications*), Fleisher, 820
- Criterion-referenced, of student performance (*Communications*), Taylor and Reid, 970
- Of a course in human sexuality, Garrard *et al.*, 772
- of clinical skills of students in pediatrics, Turner *et al.*, 959
- Of intellectual caliber of entering medical students, Matarazzo and Goldstein, 102
- Of patient management problem validity, Sedlacek and Nattress, 263
- Of physicians' interpersonal skills with patients, Lamont and Hannen, 789
- Of program of study techniques for medical students (*Communications*), Holcomb and Brown, 285
- Of programmed pathology texts, through use of field test, Kent *et al.*, 873
- Of teaching performance, comparison of student and departmental chairman views, Gromisch *et al.*, 281
- Of weekend seminars, Donnelly *et al.*, 184
- Self, by students, computer based (*Communications*), Nishimoto and Walters, 487
- Seminar construction through (*Communications*), Seifert and Racer, 660
- Systems-analysis, of surgery department, Beller and White, 856

**Finances:**

- Educational costs in a teaching hospital, unidentified, Busby *et al.*, 243
- Educational Opportunity Bank, Nelson *et al.*, 603
- Faculty salaries, full-time 1970-71 and 1971-72 (*Datagram*), 305
- Funding of laboratory animal medicine department, Lang and Harrell, 271
- Medical education, state roles in (*Datagram*), 358
- Medical school, comparison of patterns of (*Datagram*), 579
- Start-up expenditures in 22 new medical schools, Smythe, 690

State appropriations and income analysis, of university owned or operated teaching hospitals (*Datagram*), 664

#### Foreign Medical Graduates:

Continuing education of (*Communications*), Fisch and Dwyer, 912  
Dependence upon, in U.S. medical care system (*Datagram*), 496  
English language proficiency of: Sutnick *et al.*, 434; (*Letters to the Editor*), De Sweemer, 921  
Iranian, immigration to United States of, Ronaghy *et al.*, 443  
Orientation program for, Rush, 440  
Need to aid (*Editorial*), Hyde, 494  
Specialty choices of (*Datagram*), 228  
Training of, approaches to, Gelb and Cassell, 429

#### Government:

Chinese, relationship to medical education, Chan, 327  
Federal: Health manpower policy of, Richardson, 3; health policy of, Kennedy, 15; health programs of, Rogers, 35; 1971 health legislation and administration activities of (*Editorial*), 225; Relationship to academic medical centers, Cooper, 39; Role of, in support of academic medical centers, Magnuson, 10  
State, role in financing medical education (*Datagram*), 358

#### Health Care:

Area systems of, Swanson, 323  
Crisis in, Kennedy, 15  
Ecological aspects of, course in (*Communications*), Braunstein *et al.*, 223  
Effect of basic science training on, Handler, 23  
Influence of physician attitudes on, Friedin *et al.*, 163  
Issues in (*Communications*), Bryant and Cotton, 216

#### Health Maintenance Organizations:

Health manpower redistribution capabilities of, Richardson, 7  
Legislation concerning, Kennedy, 20

#### Health Manpower:

Legislation concerning, Kennedy, 16  
Needs for, Richardson, 3

#### Health Sciences:

Central role of, Kerr, 843  
History of (*Communications*), Gibson, 910

#### Hospitals:

Characteristics of, associated with medical television viewing by physicians, (*Communications*), Hufhines and Hanes, 139  
Community-oriented, summertime work program in (*Communications*), Brody *et al.*, 817

#### House Staff

Activism among, Lloyd, 30  
Stipends and fringe benefits of (*Datagram*), 916

#### Interdisciplinary Studies:

Medical jurisprudence course, Pierce, 477  
Medical-legal training at a medical school (*Communications*), Quimby *et al.*, 575  
Student health team project in family health care (*Communications*), Tanner *et al.*, 656

#### Legislation:

Health manpower, Richardson, 6; Magnuson, 12; Kennedy, 16  
Cancer, Kennedy, 18  
Health maintenance organizations, Kennedy, 20

#### Letters to the Editor:

71, 156, 234, 313, 365, 500, 587, 668, 755, 835, 921, 981

#### MCAT:

As a criterion of intellectual caliber of medical students, Matarazzo and Goldstein, 105  
Canadian applicant performance on, Collishaw and Grainger, 261  
1971 data on (*Datagram*), 751  
Revision of (*Editorial*), Erdmann, 747

#### Medical Education:

Acceleration of, adaptation to, Gottheil *et al.*, 539  
Accelerated program of, opinions of students in (*Communications*), Grossman *et al.*, 287  
Area centers and systems for, Swanson, 321  
Changes and trends in, Matlack, 612  
Clerkship program, criteria of good performance in, Quarrick and Sloop, 188  
Computer education in (*Communications*), Kahn, 137  
Computer-mediated tutorials in, Weber and Hagamen, 637  
Disease orientation in, negative effects of, Bassuk and Nadelson, 895  
Financing of, state roles in (*Datagram*), 358  
Information sources and retrieval systems, course in (*Communications*), Lunin and Catlin, 658  
Laboratory animal medicine, guidelines for a program of, Lang and Harrell, 267  
Medical ethics program, Veatch and Gaylin, 782  
Medical jurisprudence course in, Pierce, 477  
Multidiscipline laboratories, operation of (*Communications*), Votaw, 739  
Physician behavior and, Friedin *et al.*, 163  
Physician retraining, Weinberg, 625  
Production of family physicians (*Letters to the Editor*), Becker, 156  
Protection of human subjects (*Letters to the Editor*), Latimer, 158

Relevancy of basic sciences in, Rubinstein, 198  
 Sex education in: Course in, development of, Golden and Liston, 760; Movies on (*Letters to the Editor*), Morgan, 314; Movies on, response to letter on (*Letters to the Editor*), Chez, 588; Seminar in, evaluation of, Gairard *et al.*, 772

Teacher as manager in, Stritter and Bowles, 93  
 Teaching materials for, dissemination of, Stenchever and Brown, 702

Use of flexible teaching-learning spaces in, Haft, 339

Written examinations in (*Letters to the Editor*), Satinsky, 923

#### Medical Education Abroad:

China, review of medical education in, Chan, 327  
 Colombia, Flexner report and, Banta, 879

Latin American, regional library of medicine in (*Communications*), Neghme, 301

#### Medical Education—Postgraduate:

Academic medical center responsibility for, implications of, Kinney *et al.*, 77

Critical event outcome studies as tool in, Metcalfe and Mancini, 869

Foreign medical graduate training, approaches to, Gelb and Cassell, 429

House staff stipends and fringe benefits (*Datagram*), 916

Interns: Placement of, influence of medical school faculty on, Perlstadt, 863; Specialty choices of, Geertsma and Grinols, 515; Stress defense maneuvers practiced by, Bassuk and Nadelson, 894

Internship, elimination of (*Letters to the Editor*), Segal, 71

Medical student residency, in psychiatry (*Communications*), Tenzel *et al.*, 744

Resident(s): Alcoholism therapy training of (*Communications*), Mayer and Myerson, 296; Chief, role of, Sherman, 277; Family practice, modular basis for training (*Communications*), Geyman, 292; Psychiatric, selection of (*Communications*), Garetz, 145; Psychiatric, as teachers in an evening college (*Communications*), Lazerson, 576; Woman, programs for (*Letters to the Editor*), Coulter, 836

Satisfaction with, Kerr, 847

Trends in (*Datagram*), 227

Women in, Nadelson and Notman, 181

#### Medical Faculty:

Female (*Editorial*), Wilson, 303

Full-time, salaries of, 1970-71 and 1971-72 (*Datagram*), 305

Influence on career choice of students, Perlstadt, 863

Professional activities of (*Datagram*), 977

Student performance expectations of, in a clerkship program, Quarrick and Sloop, 188

Teaching performance of departmental chairman, evaluation of, Gromisch *et al.*, 281

#### Medical Inquiry:

Conceptualization and teaching of, Dobbs and Carek, 272

Methods and purposes of, reflections on (*Editorial*), Cluff, 148

Reasoning processes used in, Elstein *et al.*, 85

#### Medical Journals:

Copyright and "fair use" in: (*Letters to the Editor*), Eastwood, 755; (*Letters to the Editor*), Ebert, 755; (*Letters to the Editor*), Rogers, 756  
 Reprint requests to (*Communications*), Lewis, 827

#### Medical School(s):

Applications to, computer assisted system for processing (*Communications*), Rankin *et al.*, 353

Attrition rates in, as an indication of medical student intellectual caliber, Matarazzo and Goldstein, 105

Canadian, applicants to, Collishaw and Grainger, 254

Cooperation among, need for (*Editorial*), Cooper, 915

Enrollments of, 1968-69 through 1971-1972 (*Datagram*), 150

Expenditures of, "real" growth of (*Datagram*), 68

Financing of, patterns of (*Datagram*), 579

Legal training role of (*Communications*), Quimby *et al.*, 575

New: Matlack, 612; Expenditures in (*Letters to the Editor*), McManus, 981; Expenditures in, Smythe, 690; Need for more, Wilson, 677

Prison health care activities of (*Datagram*), 831

Role of laboratory animal medicine department in, Lang and Harrell, 267

Sex counseling involvement of (*Communications*), Wabrek and Lief, 740

Teaching-learning spaces in, flexible, Haft, 339

#### Medical Student(s):

Activist, parental influence on (*Communications*), Maxmen, 351

Adaptation of, to accelerated medical school program, Gottheil *et al.*, 539

As diagnostician of family of mentally disturbed child, Roeske, 51

Attitudes of: Towards medical school and future careers, Cliff and Cliff, 534; Towards death and dying, Barton, 170

Beginning, health care issues course for (*Communications*), Bryant and Cotton, 216

- Characteristics and performance of, during preclinical training, Haley and Lerner, 446
- Characteristics and specialty preferences of, Geertsma and Grinols, 509
- Cynicism of, Reinhardt and Gray, 112
- Effect of serving as a psychotherapist on, Schonfield and Donner, 203
- Enrollments of, 1968-69 through 1971-1972 (*Datagram*), 150
- Evaluation of teaching performance by, Gromisch *et al.*, 281
- Financial support for, by Educational Opportunity Bank, Nelson *et al.*, 603
